Al Ain University Exhibition for Professional Development and Training reveals new horizons for professional success

The Alumni Office at both the Al Ain and Abu Dhabi campuses organized the fourth edition of Al Ain University's Career Development and Training Exhibition. This initiative aligns with the office's goals of fostering collaboration with governmental and private institutions to provide training programs and job opportunities for the university's graduates and students.

Over 30 governmental and private entities participated in the exhibition at both locations. The institutions offered a variety of activities, including on-the-spot interviews, collection of resumes from Al Ain University graduates, resume editing tips, as well as providing training and volunteering opportunities for graduating students. Job opportunities were also presented for graduates actively seeking employment.

Human Resources unit managers from the participating organizations emphasized the significance of the exhibition for students and graduates. It provides them with a deeper

understanding of the job market, the skills required by each company, and the future career opportunities available. The exhibition witnessed a substantial turnout from both graduates and students expected to graduate soon.
